

# ST NICHOLAS PARISH CHURCH WEDDING ARRANGEMENTS

## **MARRIAGE SCHEDULE**

Before a wedding can take place, you must contact the Registrar of the District in which the wedding is to take place and complete the necessary formalities. The Registrar is at High Street, Ayr. You require to contact them at least 28 days (preferably 10 weeks) prior to the ceremony. They will ask for relevant information and a charge will be paid.

They will issue you with a document called the Marriage Schedule, which must be in the hands of the Minister before the wedding can take place. This, when completed is returned to the Registrar within 3 days of the wedding.

## **ORGANIST**

The Church Organist is:- Miss Isobel McIlwraith  
58 Doonfoot Road  
AYR  
Tel: 441966

You should contact Miss McIlwraith and arrange for her to play at the wedding. She will be able to give advice on musical matters.

## **FEES**

The fees are as follows:- Organist £ 75  
Church Officer £ 50  
Church £200

As Ministers are not allowed to charge a fee, these figures do not include a fee for the Minister. The sums involved should be brought on the day of the wedding in clearly marked envelopes.

## **HYMN SHEETS**

You are responsible for the Hymn Sheets. These should be given to the Ushers who should be in attendance half-an-hour before the service to welcome the guests.

## **FLOWERS**

You are responsible for the floral decoration of the Church at your wedding. There are various stands etc. in the Church for your use. You may wish to have a local florist arrange the flowers. If you intend to leave the flowers after the wedding for the Sunday Service, please let the Minister know. These flowers are then distributed to the elderly and the sick.

## **RECEPTION**

The Minister does not assume that he is invited to the reception or required to act as Master of Ceremonies. Please make it clear if he is required or not. You are not obliged to ask him.
